President and Executive Officer News

Dear residents and visitors to Kiama and surrounding district.

The Kiama and District Chamber of Commerce (KDCC) is proud to present our comprehensive Member Directory, which covers a broad range of local services and Businesses available to you.

We invite you to '**Buy Local First**' and be part of our **local Sustainable Business Program**.

KDCC Board and Executive Officer, Kerrilyn, are completely focused on promoting, encouraging and supporting local business to excel in customer service, trade and commerce.

We are also focused on promoting our region as one of the best, if not THE best regional destination and location to attract New Business as a place to live and work.

Many of us have children and we are sure, like us, you would love to see your children employed, or running a local business which enabled them to live, work and raise their family in this fantastic South Coast region.

At present, only 36% of our working population live and work locally. Every dollar you spend locally, will help to increase this demographic and grow the prosperity and commerce of our Business Community, making our district even more Economically Sustainable.

As the saying goes: '**What goes around, Comes around!**' Commerce is exactly this equation. Every dollar spent in this community, stays in this community, taking us one step closer to being a stronger and Sustainable Commerce.

If you would like to join or find out more about the KDCC, try our web site:

www.kiamachamber.com.au or feel free to call (02) 4232 3844.

Thank you in advance for supporting your Local Business Community.

Patrick Mahedy, KDCC-President,
Architect+ Town Planner

Kerrilyn Bailey, KDCC-Executive Officer
