Official statement from KDCC regarding Kiama Seaside Markets

“Kiama Seaside Markets are an initiative of the Kiama & District Chamber of Commerce (KDCC), established to promote economy, tourism and community spirit. The KDCC is extremely disappointed that Kiama Council has called for Expressions of Interest to take over the Markets. The Council’s actions are threatening what has been an excellent collaborative relationship between Rotary, Lions and the Chamber and now converted us all to competitors. KDCC welcome the opportunity to confirm our tender. However, KDCC consider it vital to hold a minimum of three year lease agreement as our priority has always been the long-term interests of the business and wider community in Kiama.”
